Lead with Heart.™

Welcome to Sacred Heart Academy!

Sacred Heart Academy (SHA) is an all-girl Catholic college preparatory school, rooted in the spirituality and tradition of the Sisters of Saint Joseph. At Sacred Heart, we educate both the heart and the mind of our students. As a School community, we are committed to live and to learn and work with inclusive love to bring about unity and reconciliation of all creation and all people with God and with one another.

At SHA, we encourage our students to "Take the Lead." And, they do! The Class of 2016 was accepted into over 250 colleges. They earned over \$53 million in scholarships in the areas of academics, athletics and the arts. Our students take the lead on all fronts. They are student-athletes who compete. They are artists and dancers. They are scientists and researchers. Above all, they are conscientious thinkers who actively integrate their education into their lives. They routinely find ways to make a difference through their selfless commitment to community service and social justice.

If you are a prospective family, we hope you will come to learn more about Sacred Heart. If you are a current student or family, we hope you find information to enrich your SHA experience. And, if you are an alumna or just an interested viewer, we know you will be inspired by the work that takes place at Sacred Heart Academy.
